ABOUT OUR CLUB

A student lead club dedicated to fostering a safe and engaging environment for individuals of all skill levels to explore 3D printing and STEAM disciplines. With a primary focus on 3D Printing, STEAM, and community service, SEED unites its members to make a positive impact in our local community.

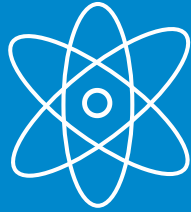

MEMBERSHIP

SEED welcomes individuals of all backgrounds who share an interest in STEM exploration, 3D printing, and design, as well as community volunteering. There are no specific qualifications or prerequisites required for joining. SEED is committed to providing a welcoming and inclusive environment for all members. Membership lasts for a one-semester term before renewal.

NO PARTICIPATION REQUIREMENT

SEED values your flexibility. There are no mandatory participation requirements to maintain your membership. We understand the demands of college life, and you're free to engage as your schedule allows. However, we highly encourage you to actively join us, as it's a great opportunity to meet new people and make the most of your SEED experience.

WE OFFER:

Participate in
STEAM projects and
activities

Explore and aid others
how to 3D design and
print for recreational or
professional purposes.

Help the local
community.

HOW TO JOIN SEED:

To join, please follow these steps:

1. Complete the membership form (available in our Discord server under "resources").
